Bubbles are the best way to begin a meal – whether it's a social or business occasion, or you just want to say cheers to your wonderful life. Our selection of sparkling wines will enhance the moments you spend at Cinque.

The plant-based Italian Proverbio Prosecco is made from organically-grown grapes. We also have local sparklings from the cool-climate region of Adelaide Hills and the Mornington Peninsula. Our French Champagne is from the family-owned Maison Veuve Fourny et Fils, where extra care is taken at every step of the winemaking process. The half bottle of Roederer, ideal for couples who'd like a large glass each, comes from an iconic maison.

Selecting the right dessert wine is as difficult as choosing just one dessert.

Again we aimed for variety, beginning with the must-have Noble One from Riverina and two Muscats from Rutherglen, one of which is made in a classic fortified way while the other resembles the Italian Moscato d'Asti, with a floral whiff. The interesting Iced Viognier is vinified from frozen, with a botrytis component, and we couldn't miss out on the Grandfather Port from Penfolds that needs no introduction. We also list the outstanding Tenute Rossetti of Vinsanto, a representative dessert wine from the Italic Peninsula.
